Dear Mr. President, Dear Mr. Garcia,

The IFSC Board congratulates you on being elected FEPADI President by the General Assembly in October 2007 and we extend our congratulations to your new Board of Directors elected through 2011.

We look forward to working with your federation in the years to come, on the growth of sport climbing. On 11 December 2007 the IFSC was recognized by the International Olympic Committee and is therefore now part of the Olympic Movement, an important step towards our Olympic dreams.

We appreciate your dedication to the development of our sport in Peru and the development of FEPADI.

Best regards.
